Fight Back Pittsburgh Monthly Report

June 2016

On Saturday, June 25th Fight Back Pittsburgh held an action training for people planning on traveling to Cleveland for the Republican National Convention. The training included an overview of activities planned in Cleveland, ways to address health and safety issues, and how to support each other in the streets to navigate challenging circumstances.

Fight Back Pittsburgh's next General Membership Meeting is July 11th (pushed back one week because of the 4th of July holiday) at 6:30pm in the lobby conference room. During this meeting we'll be joined by workers from Rivers Casino who have filed a petition for a union election.

Fight Back Pittsburgh will be sending 10 delegates to the People's Convention—the first national gathering of the Center for Popular Democracy, a national network grassroots community organizations fighting for social and economic justice. The conference is expected to attract 1,500 people and will kick off with a massive march and rally at 3pm on July 8th starting at the Convention Center and stopping by the UPMC tower, the City County Building and ending at Senator Toomey's office in Station Square. We'll circulate details on the march and rally when they are available.
