

Women of Steel Local 3657 “Chase the Chill”

The bitter Cold temperatures will soon be taking over the city of Pittsburgh; the Women of Steel from Local 3657 want to help our less fortunate neighbors keep warm. The WOS will be collecting and then tying new or gently used hats, scarfs, mittens and gloves to trees, street signs, and utility poles throughout the city of Pittsburgh. Notes will be attached to each item explaining that these items are from the USW Local 3657 WOS and they are theirs's for the taking.

We are asking you to become a “Chill Chaser”

Please drop off your contribution in the collection boxes located at the

- **USW International Holiday Gathering**
- **Organizing Department 9th floor – Paulette L. Battisti**
- **Education Membership Development 7th floor – Pam Cantolina**
